GENERAL EDUCATION STATEMENT

Our students are expected to demonstrate the competencies outlined in the institution-wide learner outcomes (critical thinking, problem-solving, oral communication, and written communication) as well as demonstrate learning the fundamental vocabulary, concepts, and proficiencies of their specific programs. In addition to the college's institutional outcomes, three other outcomes articulate the expected general education for all students and are integrated in both the curricular and co-curricular student experience.

Connections – Connect with the college community and its educational resources to foster professional success and personal well-being. ~~Students will develop personal and resource relationships which lead to personal and professional success.~~

Multiculturalism – Students will demonstrate the ability to successfully live and work in a multicultural world.

Authenticity – Students will demonstrate a commitment to standards, codes of conduct, and core principles that define successful professionals within their chosen academic field of study or career path.

NEW CHILD DEVELOPMENT ASSOCIATE CREDENTIAL (EFFECTIVE 1/1/2023)

CHILD DEVELOPMENT ASSOCIATE CREDENTIAL

Based upon recommendation by the Illinois Community College Board, Rend Lake College awards credits to those students who have obtained a Child Development Associate Credential. A student must present the proper documentation of an active Child Development Associate Credential to the Registrar. The Child Development Associate Credential is based upon a core set of competency standards which are aligned with the following courses for which a student will receive credit:

Introduction

The updates listed in this addendum apply to the 2022-2023 Rend Lake College Academic Catalog. This catalog addendum contains new and updated information, as well as corrections of errors in the original catalog.

CORRECTION TO PROGRAM OUTLINE

TRUCK DRIVER TRAINING – HEAVY EQUIPMENT TRANSPORTATION

Occupational Certificate

COMMUNITY & CORPORATE EDUCATION

This certificate is designed to prepare students for occupations involving the maintenance, repair, and operation of semi-tractor trailer units. Upon successful completion of the curriculum, the student will have a basic knowledge of engine and brake repair, servicing, alignment, and operation of a tractor trailer unit. The Illinois Secretary of State's Commercial Driver's License Pre-Trip, Skills and Road Examinations will be administered. ► ~~Total = 26 Hours~~ ► **Total = 16 Hours**

NEW COURSE, EFFECTIVE 11/15/2022

AUTO 2213 – Hybrid and Electric Vehicles (2)

Prerequisites: AUTO 1232 and AUTO 2230 or consent of instructor

This course is an introduction to the study of hybrid (HEV) and electric vehicles (EV). The course will prepare students for the ASE (Automotive Service Excellence) L3 exam. Students will be introduced to the operation, maintenance, diagnosis, and repair of automotive HEV/EV systems. Topics to be covered include safety, battery systems, internal combustion engines, drive systems, power electronics and supporting controls. Lecture 1.5 hours. Lab 1 hours.

NEW COURSE, EFFECTIVE 6/1/2022

ECE 1601 – Extend Preschool Child's Thinking (3)

This course, specifically designed for preschool teachers, studies how teachers can encourage children to think deeply through the use of "big" questions. Rooted in Bloom's Taxonomy, teachers will learn how to meet children at their individual development levels and stretch their thinking, be more intentional in their teaching, scaffold children's learning, and promote deeper understanding. Lecture 2 hours. Lab 2 hours.

NEW COURSE, EFFECTIVE 10/17/2022

ECE 1602 – Infant Toddler Perspectives (3)

This course focuses on a relationship-based approach to care for children birth to age 3. This course uses the Program for Infant Toddler Care (PITC) curriculum to provide responsive, respectful care that teaches the infant/toddler to expand, adapt, and encourage them to pursue their inborn learning. Students will observe children in their own care setting and implement the PITC strategies learned in class. Lecture 2 hours. Lab 2 hours. Repeatable up to 3 times.

NEW COURSE, EFFECTIVE 10/14/2022

ECE 1603 – Promote Social Emotional Competence (3)

This course, specifically designed for infant and toddler care teachers, studies child development with a social-emotional lens. The focus is on using the Pyramid Model for Infants and Toddlers to provide relationship-based care and create an environment that supports social-emotional development. Students will observe in their own care setting and implement strategies discussed in class. Lecture 2 hours. Lab 2 hours. Repeatable up to 3 times.

NEW COURSE, EFFECTIVE 10/17/2022

ECE 1604 – Strengthening Business in Child Care (3)

This course addresses basic concepts in fiscal and operational management of child care programs. The purpose of this curriculum is to strengthen child care providers' foundational knowledge of fiscal terms, concepts, and practices. This program focuses on fiscal planning, and organizational and financial goals to sustain business operations. Lecture 2 hours. Lab 2 hours. Repeatable up to 3 times.

COURSE NUMBER CHANGED, EFFECTIVE 9/12/2022

MIN ~~1210~~ 1610 – Introduction to Mining (2.5)

Students are introduced to mining as it exists in the world today. Emphasis is placed on creating a true and relatively complete picture of the mining industry with special concentration on the basics of practical mining from the viewpoint of health and safety. Lecture 2.5 hours.

NEW COURSE, EFFECTIVE 7/12/2022

TRUK 1204 – Class B CDL Permit Review (1)

Minimum age of 18 years; valid Illinois driver's license; provide Motor Vehicle Report; successful completion of a DOT physical and drug screen.

A review of the rules and regulations set forth by the Federal Motor Carrier Safety Administration Entry Level Driver Training to prepare individuals for the written portion of the Illinois Secretary of State's Class B Commercial Driver's License. Lecture 1 hour.

NEW COURSE, EFFECTIVE 7/12/2022

TRUK 1205 – Class B CDL Driving I (3)

Minimum age of 18 years; successful completion of TRUK 7204 or consent of Department Director; valid Commercial Driver's License Learner's Permit; provide Motor Vehicle Report; successful completion of a DOT Physical / Drug Screen.

An introduction to the skills and techniques utilized in the operation of Class B (heavy straight) truck. Instruction will include driver safety and introduction to backing, shifting, and cornering techniques. Students will be assisted with job placement. Industry recruiters will conduct employment seminars throughout the class. Lecture 2 hours. Lab 2 hours.

NEW COURSE, EFFECTIVE 7/12/2022

TRUK 1206 – Class B CDL Driving II (3)

Successful completion of TRUK 1204 or consent of Department Director; concurrent enrollment in TRUK 1205.

Hands-on instruction to improve and upgrade the skills and techniques utilized in the operation of a semi-tractor trailer unit. Instruction will include pre-trip inspection, backing, shifting, and cornering techniques. The Illinois Secretary of State's Commercial Driver's License Pre-Trip, Skills and Road Examinations will be administered at the conclusion of this course. Lecture 1 hour. Lab 4 hours.

NEW COURSE, EFFECTIVE 5/11/2022

TRUK 1207 – Hazardous Material Review (1)

Prerequisites: Minimum age of 18 years; successful completion of TRUK 1201 or consent of Department Director; valid Commercial Driver's License or Learner's Permit.

A review of the rules and regulations set forth by the TSA and Federal Motor Carrier Safety Administration to prepare individuals for the Illinois Secretary of State's Hazardous Material Endorsement. Lecture 1 hour.
