

TRANSFER GUIDE

AAS Radiologic Technology Transferring into BS Radiologic Sciences

Rend Lake College Courses			
AAS Radiologic Technology – 69.5 hours			
ENGL 1101-3	Rhetoric & Composition I	RAD 1207-5	Radiology Clinical I
COMM 1101-3	Principles of Effective Speaking	RAD 1208-6	Radiology Clinical II
MATH 1107-3	Contemporary College Math	RAD 1209-2	Radiographic Equipment/Imag II
ZOO 1105-4	Anatomy & Physiology I	RAD 1210-2	Radiology Pathology
HECO 1202-3	Health Care Terminology	RAD 1211-7	Radiology Clinical III
RAD 1200-.5	Radiologic Tech Orientation	RAD 1212-2.5	Radiographic Equipment/Imag III
RAD 1201-2	Intro to Radiology	RAD 1213-2	Radiation Biology
RAD 1202-3	Radiology Procedures	RAD 1214-7	Radiology Clinical IV
RAD 1203-2	Patient Care	RAD 1215-1.5	Cross Sectional Anatomy
RAD 1205-2	Radiographic Equipment/Imag I	RAD 1216-2	Radiology Review
RAD 1206-3	Intern Radiographic Procedures	ZOO 1106-4	Anatomy & Physiology II
Southern Illinois University Carbondale Courses			
BS Radiologic Sciences – MRI/CT Option – 60 hours			
	Social Science Elective	RAD 384-4	MRI Technology
	Social Science Elective	RAD 394-3	MRI and CT Pathology
	Humanities Elective	RAD 404-10	MRI and CT Clinical Internship I
	Physical Science Elective	RAD 414-2	Special Studies in MRI/CT
	Fine Arts Elective	RAD 424-4	MRI/CT Clinical Internship II
	Multicultural Elective	RAD 434-2	Seminar in MRI and CT
RAD 364-3	CT Technology		300/400 Level RAD Electives
RAD 374-3	Sectional Anatomy		
Total Hours to Bachelor Degree: 129.5 Hours

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

Residence Requirements. Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

Grade Point Average Requirements. Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Degree Works

Degree Works is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
