

## BUS SCHEDULE

In order to fight inflation and the energy crisis, Rend Lake is providing a bus service to and from Mt. Vernon and Benton.

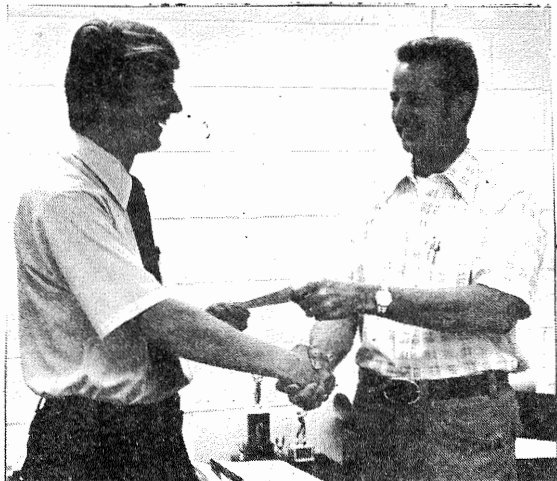

This is an attempt by the college to offer its educational services to more people.

The price is fifty cents for a one way ticket. Tickets may be purchased at the college business office, Simmons Card Shop in Benton and at First Bank and Trust Company in Mt. Vernon.

The service is being offered on a trial basis for only two months.

The bus schedule is:

Lv. Park Plaza--7:15 a.m.  
Lv. Times Sq. Mall--7:25 a.m.  
Arr. RLC--7:55 a. m.  
Lv. RLC--8 a.m.  
Lv. Bent. Immanuel Church--  
8:25 a.m.  
Arr. RLC--8:50 a.m.  
Lv. RLC for Mt Vernon--  
12 noon  
Lv. Park Plaza--12:20 p.m.  
Arr. RLC--12:55 p.m.  
Lv. for Benton--3 p.m.  
Lv. for Mt. Vernon--4:05 p.m.

Skip Witunski (l.), Business Manager of RLC, presents a check to Wayne Arnold, Sports Information, to become the first RLC Warrior Club member. Skip was voted the "most loyal fan for 1973-74" for the Warriors at the athletic banquet last spring.

## Civilisation Films To Be Shown

RLC, in cooperation with three area community colleges, is again sponsoring Kenneth Clark's "Civilization" films.

The films will be shown on the RLC campus and possibly at the Mitchell Museum in Mt. Vernon.

If you are interested in seeing these films, note the following dates. Mr. Patton will post showing times each week.

## Warriors Club Being Formed

The RLC athletic department is in the process of organizing a "Warrior Club."

The purpose of the club is to establish and maintain support for the RLC athletic program.

The club will be a non-profit organization incorporated under the provisions of the rules and regulations of Rend Lake College.

Membership in the club will entitle a pass for member and spouse to all athletic events at RLC; refreshments at half time of home games; a reserved section of bleachers behind the Warrior bench at home basketball games; inside reports on all sports at the college; and dinners with players and coaches.

The initial Warrior Club membership dues would be a minimum of \$25. per year, to include member and spouse, or \$12.50 for a single person.

A Junior Warrior Club membership for students in grade and high school will be \$5.

Members contributing \$100 or more will have their names on an appreciation plaque to hand on the wall in the gym.

Anyone interested in joining the Warrior Club should contact Wayne Arnold, sports information, on the RLC campus.

## SENATE ELECTIONS

Student Senate election scheduled for Sept. 12 was not held since only enough students ran for office to fill the vacant positions.

Two freshman girls, Mary Black and Carol Shute, are the new freshman representatives.

Meda Hiron, Wayne Morris and Art Rice are the new representatives at large.

These people, along with the sophomore representatives elected last May will make up a portion of the RLC Student Senate for 1974-75.

There will be a special election for freshman men representatives on Thursday, Sept. 26.

A convocation for their speeches will be held on Wednesday, Sept. 25, at noon in S110.

## Hey, Veterans

Hey, Veteran, Bill Derges wants to help you.

Derges, whose office is in the North Oasis, is the new Veterans Affairs Coordinator at RLC.

His job is to aid the veterans at RLC in dealing with any problems they might have with the college or the Veterans Administration.

Derges is a veteran and a full-time student himself. He is well acquainted with the difficulties veterans face when entering college.

His schedule of office hours is posted on his office door.

## MINING TECH. GETS BUILDING

The RLC Board of Trustees recently approved a new addition to the maintenance building. This addition will be used exclusively for mining technology classes.

Bob Webb, head of the maintenance department, said that construction on the 60' x 110' extension is just now getting into full swing. The footings have been poured, and the drive way and some of the preliminary plumbing are completed.

The building will be finished in approximately ten to twelve weeks.

look who's smiling

Michael Avery

## ATTENTION

Calling all students. The Pressing Times would like to give you the opportunity to gain some practical selling experience. Selling advertising for the school paper will give much insight into the business world around us. Your reply to this might be, "who needs it;" we all need it. Whether we like it or not, business plays a vital role in the lives of all of us. A better understanding of how it works and the role that it plays in our life is essential.

Perhaps the best experience we could gain from ad sales would be the experience of selling. In all phases of our life we are faced with the job of selling ourselves. In applying for jobs, we need to be able to sell ourselves to get that job. We have to sell ourselves to that special boy or girl that we are interested in. Not all of us are lucky enough to have gained this skill from our past life. This skill is not inherited. It is one that is developed with constant practice. If you think that your skill in selling needs improvement, give yourself a chance, try

ad sales.

We have positions open on the advertising staff for students in all the towns within the district. If you are interested, contact David Leathers in the Pressing Times office in the Student Center.

David Leathers  
Advertising Mgr.

## Yearbook Reorganizes

Under the direction of Mrs. Lois Mackey, the Tarn staff is being reorganized this year.

Each morning from 8 to 9 meetings are held in the yearbook office. The topics of these meetings cover the area of production, advertising, and photography.

Mrs. Mackey said that so far, the staff is very good. The process of naming editors is underway, but nothing is certain yet. Announcements will be made in the future.

If you are interested in working on the yearbook, see Mrs. Mackey in the yearbook office or in S. Oasis 152.

# An Editorial

By Bob Dempsey

The day Vice -President Spiro Agnew resigned was an important day in history.

The day President Richard Nixon resigned was important day in history.

The day President Gerald Ford pardoned Nixon was a crucial day in history as well as a crucial day in the life of Ford.

Before that day, Pres. Ford seemed to be very well accepted as President of the United States. Since then, he has been criticized by many groups in the U.S. One group went so far as to say that Ford should be impeached for this so-called act of mercy toward Nixon.

As I listened to KXOK's Hotline one Sunday night, I heard many comments. One man said that all prisons should be opened so that everyone in them can be treated fairly. Another man referred to Ford as "Tricky Dicky Ford."

Nixon has committed a serious crime against the people. If Ford had kept his mouth shut, maybe that Watergate would have been silenced if not forgotten.

Nixon ruined his life, along with several others. He should not have been pardoned.

WHAT'S YOUR OPINION?

## Calling All Quilters

Summer '74 in Southern Illinois was an interesting and full one for me as a new resident. As a final project to complete my Masters degree, I set out to examine quilts and quilting. I was delighted to find an abundance of quilts, all varieties and periods that have become treasures in many Southern Illinois households.

I find it difficult to stop my investigation now and am working on a book to be entitled Quilts of Southern Illinois.

Any suggestions that could be offered as to women who are quilting now in the Mt. Vernon area, or who have quilt collections they might like to share would be appreciated.

I can be contacted at my office, N. Oasis 122.

Susan Kolojeski  
Art Instructor

# HAPPENINGS

Chuck Yadloski, RLC sophomore, has been elected president of the Illinois Association of Community College Agriculture.

This organization is a community college Ag Club for approximately 30 community colleges in Illinois with agriculture programs.

What is a powder puff mechanic?

This could be your title if you're a female and are taking powder puff mechanics which is offered for the first time this year.

The course is exactly what it sounds like: a mechanics course for women. It last for eight weeks and is available to any female interested in learning more about automobiles.

The course meets Thursday nights from 6:30 to 8:30 p.m. in the college auto shop. The instructor is Bob McKemie who says he's going to keep everything simple.

The next course starts in October and is limited to 20 students. For further information, contact the administration office.

RLC students have access to job opportunities as a result of the school's employment placement service, and the Illinois Employment Service.

The school does not guarantee a position to each student, but it will try to place the student in a position for which he is qualified.

Businesses are encouraged to list their job openings with the Financial Aids Office. Students interested should leave their names, addresses, telephone number and qualifications with the Financial Aids Office.

Students are also urged to register with the Illinois Employment Service.

The students in the Licensed Practical Nursing program are alive and thriving in the beautiful new place on campus.

The only problem is that the pace of their studies gives them little time to appreciate their environment. Along with concentrated efforts to learn bones and muscles, they have been busy with many other activities.

Class officers chosen for the 1974-75 school year are the following: president, Patty Parent; vice-president Elaine, Bruns; secretary, Phyllis Byerly; and treasurer, Marsha Crane. Jean Stick was elected as student council representative.

A social committee was formed and fund raising projects are being investigated with the hopes of financing future projects.

RLC students interested in broadcast journalism are invited to attend the Southern Illinois News Seminar, Saturday, Sept. 21.

The Illinois News Broadcasters Association, an organization of professional radio and television newsmen who operation in Illinois, is conducting a day long seminar at the Ramada Inn, just off I57 at US460.

The cost is a \$4 registration fee, plus \$2.75 for a buffet lunch.

There will be a meeting for anyone interested in selling advertisements for the yearbook sometime next week. A cash prize will be offered to any three people selling the most ads. For further information, watch the bulletin boards in the various locations

# BASIC Party

The RLC B.A.S.I.C. group recently hosted the John A. Logan B.A.S.I.C. group in an informal get-acquainted party in the college Student Center

In the first part of the program, members of the group participated in games and get acquainted mixers. Refreshments were also served by the host group.

The latter part of the evening was devoted to group singing and to individuals who shared personal experiences and opinions.

Mr. and Mrs. Paul Mackey were chaperones for the occasion. Officers of the RLC group are Pam Boldt, Cathy Mattingly, and Lonnie Fields. B.A.S.I.C. meets at noon each Wednesday, in A211.

Mrs. Eleanor Hall is the faculty sponsor for the club.

# Warriors Open With Win

Jody Gaunt lines a single as RLC sweeps a doubleheader from conference rival, Southeastern.

The RLC Warriors opened their fall baseball campaign by taking a doubleheader from Southeastern last Thursday, Sept. 12.

The contest was played on the RLC diamond.

In the first game, Southeastern committed four errors in the fourth inning and the Warriors cashed in on two unearned runs as Chris Turley and Butch Williams scored.

The Warriors could manage only three hits, singles by Alan Valentine, Jody Gaunt, and Turley. However, starting pitcher Tim Norman held Southeastern to only two hits.

Norman struck out six and walked five.

FIRST GAME	R	H	E
SE	0	2	4
RLC	2	3	1

Southeastern came back in the second game and took a two to nothing lead in the fourth inning. The Warriors counteracted with one in the bottom half of the inning.

Southeastern held the one run margin going into the bottom of the seventh and hoping for a split in the twin bill.

However, the Warriors rallied for three consecutive singles by Mark Hefner, Brian Lanter, and Doug Hardaree. Then Tim Norman lined the fourth Warrior hit of the inning, driving in two runs and thus giving RLC a sweep of the doubleheader.

Scott Griffin and Jody Gaunt led the team in hitting with two hits apiece.

Alan Valentine took the mound win, striking out three and walking two.

SECOND GAME	R	H	E
SE	2	6	1
RLC	3	8	1

## RLC Chooses Batgirls

What's red, white and blue and chases balls?

A batgirl, of course.

The new batgirls were chosen recently. RLC's bat girls for the 74-75 baseball season are Ann Woolley, Clair Brown, and Alecia Van Horn. Debbie Morris keeps score.

What does a batgirl do?

"Well," said Ann Woolley "she picks up bats as the player runs to first base and recovers foul balls."

They've gotten new outfit so they feel more like a team. The girls will travel with the team to all the games.

## Golf ?

Attention sports fans!

The fourth annual golf tournament for students and faculty of Rend Lake College will be held Thursday, Sept. 19.

The tourney will be held at the Homestead gold course, two blocks off route 37 in north Mt. Vernon.

Tee-off time for the nine hole event is 1-4 p. m. A \$1.50 green fee will be charged to each person entering.

The tourney will be played in a student division and faculty division with plenty of trophies to be given away. Jim Waught said trophies will be awarded in each division for low score, high score, longest drive, and fewest putts.
