Rend Lake Referendum Nov. 18

"The financial planning,

believe, represents good sound

judgment, and I do want to

use the talents and abilities of

the students, faculty - every

one - to inform the public and

get the facts before the public

in terms of our needs and also

in terms of what a wonderful

thing this new campus development will mean to the total geographical area." Thus Dr.

James Snyder, administrative

Vol. 1, No.1

Rend Lake College

The Rend Lake College Board plans to acquire the 350 acre Byford Jones farm south of Ina. next to highway 57. The college board has asked Dr. James Snyder to seek approval of the site from the state board for junior colleges.

The area college board met met in Mt. Vernon, October 17, and decided to take option on the Jones farm which lies on the north side of the Jefferson-Franklin county line road, a short distance from the shore of Rend Lake. Under this option, which must be exercised within one year, the college will pay \$550 per acre for the farm, plus \$50,000 for improvements.

Board President, Dr. Curtis Parker, explained that the purchase price includes one half of the mineral rights to the pro-perty. The other half will be bought from the Chicago owner, who once owned the farm, for a price of \$10,000.

President Parker explained that the college plans to retain 264 acres of the 350 acre farm. Eighty-six of the 350 acres will be sold to the Army Corps of Engineers for control of the Rend Lake shoreline. Another tract of land will be added to the 264 acres so that the campus will total 300 acres in all.

"The agreed price for the

The board also discussed plans for the November 18 election on a \$3,100,000 bond issue to provide local funds for a \$9.5 million college campus.

It was announced that the bond resolution will be ready soon and that a special board meeting will be called to act on the resolution.

In The meantime Dr. Parker

president of Rend Lake College explained the practicality of the November 18 Referendum, and expressed the need of full cam-pus involvement to insure pass ing of the bonds. Dr. Snyder reported further that Rend Lake College is tentatively anticipating through federal, state, and local sources approximately four and a quar ter million dollars for the first phase of construction on the

new campus. The ultimate plan is for the College to afford facilities for 1400 - 1500° students, approximately twice the number now.

enrolled. The state will provide \$2,230,000 at the outset of construction. However, to receive these funds, local sources will have to match the state money with \$3,000,000. This three mile lion is the amount of the bond issue that the governing board has set to be voted in the No vember 18 Referendum.

Citizens of the Rend Lake District will benefit from of ferings in vocatonal, technical and semi-professional courese, Offerings will be expanded also, in pre-professional areas. And, in general, a fine new campus will afford a wealth of advantages in the form of community resources.

The beauty of the campus will, in itslf, enhance the reg

Praising the many years of pre-planning that have gone in to the Area College, Dr. Snyder said, "The citizens of the area and the people responsible for the high school program all deserve a lot of credit for have ing orignally started a junion college. In addition to those immediately associated with the college, I would like to express ny appreciation, particular Mr. Shields and the high governing board, for the very excellent cooperation that they are demonstrating in regard to college. I feel that there is no need for anything other than complete cooperation. I am so pleased that we do have this.

Before coming to Rend Lake Dr. Snyder was the first presi dent of the junior college in Daytona Beach, Florida. He was with the Muskegon Com munity College in Michigan and he helped in the establish ment of two new junior college campuses in Phoenix, Arizone,

unified work toward the Area College. Dr. James Snyder, administrative president, discussed the Nov. 18 referendum; and Dr. Howard Rawlinson, dean, outlined procedures for a college self-tudy. Seated: Mrs. Betty Ann Ward, guidance; Miss Barbara Luchsinger, English; James F. Yates, registrar; Mrs. Imogene I. Book, librarian; Dr. Rawlinson; Dr. Snyder; Miss Mary Rsychi, coordinator, School of Practical Nursing. Back: Stuart Chase, president, Student Senate; Glenn L. Dare, history; Edward Kownacki, science; Wayne Arnold, physical education; William H. Myers, math; Jud DeWitt, social science.

'67 Variety Show To Be Nov. 18

In an early release exclusive to the Pyramid Times, William L. Farmer, instructor of English and assistant director of the 1967 Variety Show, praised the progress that the show has already made under the able direction of Mrs. Betty Sistler, and gave some review of the history of the Show on this campus.

As Mr. Farmer reports, the tradition of the college variety non Community College, in the Nashville, Tennessee. Some of performance,

9 Join Rend Lake Faculty

Eight full-time teachers and one part-time teacher joined the Rend Lake College faculty this Fall Semester.

Miss Rebecca Pettit, who has previously taught part-time in the college, is now a full-time Girls' P. E. and Orientation instructor. Miss Pettit received both her Bachelor's and Master's Degrees from Southern Illinois University.

This year is the first year of teaching for two instructors, William Farmer and Michael Roth. Mr. Farmer, on the English staff, received his Bachelor's and Master's Degrees from Southern Illinois University, Mr. Roth, foreign language, was born in Germany and lived there until he

working toward his Master's

Julian Levesque, mathematics instructor who once taught in Africa, received his Bachelor's from the University of Mon-treal and his Master's from St. Michael's College in Vermont.

Miss Barbara Banard, who is teaching accounting and shorthand, received her Bachelor's Degree from the University of Illinois.

A husband-wife combination has joined the teaching staff of Rend Lake College. Mrs. Betty Sistler, speech and English, holds her Bachelor's from Belmont College, Nashville, Tennessee and her Master's from Middle Tennessee State University, Murphysboro. Mrs. Sistler was 15 years old. He received has previously taught in Ken-his Bachelor's Degree from the tucky and Illinois. Mrs. Sist- Brooklyn, New York.

ler's husband, Mr. Jack Sistler, an administrative intern, is the new physics teacher. He received his Bachelor's and Master's Degree of Science from Vanderbilt University in Nashville, Tennessee and is now working on his Doctor's Degree at Southern Illinois University.

Although he has taught at Oak Park High School, Mr. Julius Swayne is in his first year of college teaching. A zoology instructor, Mr. Swayne received his Bachelor's and Master's Degree from Southern Illinois Uniiversity. He has done work on a Doctorate Degree at the University of Illinois.

Mrs. Francis Giamanco, instructor of Far Eastern History (during evening session), received her Bachelor's Degree from St. John's University at

Students Tell Their First Day Impressions

Why Attend Junior College?

of the college. At that time, they were asked to indicate whether they cared to have their statements published in The Pyramid Times. The Staff feels that this statement by Linda Reed, now a sophomore, expresses the views of the student body very well. -The Editor.

THIS JUNIOR college is a great place to go to college as Far as I'm concerned. The main drawbacks are the limited choice of subjects and the high school surroundings.

I KNOW THAT when the new Rend Lake campus actually oxists course offerings will be widened and the problem of space for classrooms, parking, and all the other areas of crowding will be eliminated.

BUT NOW, the good teaching and administration, and the opportunity to know the majority of the students overshadows the faults to a great extent.

WHEN I LOOKED at college as a high school student, I Bould only vision a very rushed atmosphere with everyone's head buried in a thick text book. That idea was proved wrong to me. Even though there is much studying to be done and the standards are high, each student has an ample amount of free time to do

I found this freedom to budget my time one of the main

Advantages of the junior college.

I liked the way that faculty and administration helped the outdent with his problems, too. Finally, I had a job in one of the administrative offices, and I plan to have a job next year. Working and studying have helped me to learn to manage my

In short, I found my first in junior college profitable, and I decided to come back foor my second year.

What is a new student's first impression of Rend Lake College? Several students responded frankly to the above question. For instance, the responses of some new students (on opening school day) were as

Nancy Stone (Bluford): "It's a lot larger than my high school."

Mary Jane Adcock (Tamaroa): It's a good school; It's not too big. One couldn't possibly get lost—the best thing about it."

Cynthia McReynolds (Mt. Vernon): "I love it! I just like the idea of being here."

'It's a lot small than I thought places to go between classes. There're some good teachers." Sam Kraft (Benton): "I like

It's a lot better than high high school! It's going to be hool. I was a little mixed up fun!" school. I was a little mixed up on the first day; I went to the wrong class the wrong hour."

Randee Kinsman (Du Quoin): body."

Jennifer Colvin (West Frankfort): "It's real nice - roomy, There's a lot of kids, especially from West Frankfort."

Peggy Smith (McLeansboro): The first day I just didn't know where to go. The teachers

Nadine Robison (Sesser): "I was impressed when I came to the college graduation, and it made me want to come to this college. I believe I'm really going to enjoy it."

Phyllis Culber (Johnston City): "It's different from high Vernon): "I love it! I just like he idea of being here."

Judy Beavers (Royalton): "I's different from high school! When I get used to it, I'll really like it better than high school."

Jean Odum (Zeigler): "It's it would be. There's not enough about what I expeted - no big

> Katherine Karcher (Dahl gren): "It's a lot different from

Jo Karcher (Decatur): "I feel so new, not knowing any-

THE QUESTION "What color are your eyes?" brought quick conferences between Mrs. Spieth and students during yearbook picture taking days.

Tronnie Downes Advises

When I first decided to come to a junior college, I decided to pick this one. The choice wasn't hard because although I had moved away I was once a resident of the area.

I entered the college expect-"I like it. Classes start too Katherine Karch (Woodlawn): ting many things. I expected colearly—8:00 in the morning." I feel lost! It's different." lege life to be one big party. I

found out differently. I expected to see a lot of kids cutting classes and giving parties. I expected to be able to participate in many activities, both extra

curricular and others.

I found out that all too soon that I had made a big mistake about my expectations. I expected too much from the colege, and not enough from me. I wanted to make good grades, out I didn't want to work for them. After the first few weeks I found that there couldn't be any good grades if I didn't work for them.

In all, I entered college with the wrong idea. A student should enter expecting to work for everything he gets.

Miss Marsha Elzy Heads Invested SEA Officers of the SEA-Grams; and Miss

Letters To Editor

Dear Editor:

The Student Senate has been asked to find out what the student body wants for the new college in the way of school colors, mascot, and emblem. Students with any suggestions for these points should place them in the suggestion box in Mrs. Ward's office.

Also students wanting to keep the name of the team (Warriors) and the school colors (black and white) should also express their feelings by propping a note in the suggestion box.

Stu Chase Student Senate Pres.

Dear Editor:

We suggest that Rend Lake College keep the name of Warlors for the school's basketball teams. We also suggest that the school colors be kept the same (black and white).

Sincerely.

Piano Duo To Open Community Concert Season

Several weeks ago the Mount Vernon Community Concerts Association, a membership of about 600 students and adults banded together to bring ooutstanding concerts to this city.

On the basis of advance reports from neighboring associations, the Gold and Fizdale Duo-Piano Team, will live up to the promise of being one of the most outstanding attractions to come to this area. This program is the first attraction of the season and takes place in the High School Auditorium on Tuesday, October 12, 1967 at 8:00 p. m.

The new attraction (not announced as tentatively booked) is Virginia Babikian, a soprano of unusual talent and promise. In an attempt to scatter the series well through the season and to make the concerts available to the maximum of the membership, this concert is a Sunday afternoon, 2:30 p. m., Feb. 11, booking.

The Tuesday March 5 attraction is the Lee Evans Trio, a combo of piano, string bass, and percussion, playing the music of our own country—jazz in the hghest taste and the best tradition. This presentation promises to be a most popular program.

Members are also enjoying reciprocity with neighboring cities which are listed below.

Washington, Indiana (Washington H. S. Auditorium) Mon. Oct. 30, 8:00 p. m. Singing Boys of Monterrey Wed. Nov. 8, 8:00 p. m., Jose Melenas Thurs., Mar. 21, 8:00 p. m., David Bar-Illan Mon., Apr. 8, 8:00 p. m., Beaux-Art Trio

Warriors Face Tough B'ball Conference

WARRIOR GARY BURZYNSKI reaches upward to give Mt. Vernon control of the ball and earns the Sportsmanship Award.

By Stu Chase

The Southern Illinois College Conference appears to be well balanced tis year. The conference consists of the following teams and coaches: our Rend Lake Warriors coached by Jim Waugh; Belleville, Byron Hargis; Olney, Gene Duke; Wabash Valley (Mt. Carmel), Bill Guerin; Southeastern (Har-rsburg), Virgil Matsinger; and Kaskaskia (Centralia), Chuck

Mundell.
Until the last two years,
Centralia has dominated our
conference. Last year Olney

conference. Last year Olney won the conference and broke Centralia's perfect recard.
That was all in the past. This year, the coaches agree, the SICC will be a better balanced conference. This year the strong teams appear to be Olney and Centralia. Olney has ney and Centralia. Olney has a lot of veterans returning; Centralia has height.

This year the conference is so balanced that any team has

Senate Seeking Name For Teams

With the transition from Mt. Vernon Community College to Rend Lake College comes the need to settle on a name for the school's basketball and baseball teams. These teams are now the Warriors.

The Student Senate is now sponsoring that drive to pick a name for the team. The Senate has placed suggestion boxes in both Mr. Ward's office and in the lounge in the basement of Building L.

The name of the team does not have to be changed, but the name may be changed if the student body desires.

As the paper goes to press, there have been no suggestions for a name change for the

shot at the championship. The conference tourney starts in February. The winner goes to Bloomington for the State finals. The National finals are in Hutchison, Kansas.

in Hutchison, Kansas.

Our conference is considered one of the better established conferncs in Illinois. There are some good reasons to back this. Last year, Olney was one of the top ten J. C. teams in the nation. Also last year, Bill Patterson was one of the top ten scorers in the nation. In 1964-65 Centralia led the nation. 1964-65 Centralia led the nation is scoring with 117 points

per game.

It's obvious the Warriors are in a tough conference.

On the War PatH

by Stu Chase

November 20 is the big day or Coach Jim Waugh, That the day that our Rend Lake

Warrions take on Greenville to open the 1967-68 season.
One of the big highlights for the Warriors this season is the the Warriors this season is the Robert Morris Tourney at Carthage, Illinois. The Robert Morris Tourney hosts some of the finest Junior College teams in the Midwest. A couple of highly respected teams in the tourney. ney are Robert Morris and Burlington, Iowa. This is an excellent opportunity for Rend Lake to be known throughout

the Midwest.

Besides playing at Carthage, the Warriors will meet three new teams this season. Springfield, Lake Land (Mattoon), and the Illinois State freshmen are all new additions to our

Returning to the team this year is Gary Burzynski, a 6'2", 175 lb. forward from Sesser. Last year Burzynski played superb ball and in doing so, won the Sportsman Award. Also returning from last year's squad are letterman Dann W y m e rr from Benton, Joe Norris of

Waltonville, and Gary Hefner from Mt. Vernon.

Coach Waugh is currently holding practice after school. The men who hope to make the team include: Bob Allen and Randy Palmowski of Sesser, Denver Tolbert and Jerry Minton of Ziegler-Royalton, Steve

Sevenski from Benton, Danny White and Eddie Johnson of Wayne City, Tom Taylor of Tamarora, Steve Chapman and George Morgan from Walton-ville, plus Mt. Vernonites Mark Maline, Alex Wright, Wayne Grant, Bill Bullard, Larry Stongeinher and Stave Sledge

Stonecipher, and Steve Sledge. For those interested in our alumni from last year's team, we know Dean Jackson is attending McKendree, Bill Kirk and Versil Withrow are at Murray, Lanny Shaw is now at

Cheerleader Tryouts Will Be Monday; Students Invited To Watch Hopefuls free to all Rend Lake College students who present their ID

If you happen by the Mt. Vernon High School auditorium on October 30 and you hear strange noises coming from the building, do not be alarmed. It's not a peace demonstration, an invasion, a love-in, or a variety show cast mutiny; it's cheerleader tryouts.

Miss Rebecca Pettit, cheerleading sponsor, has announced Monday, October 30, at 3:30, as the date and time for cheerleader tryouts for the 1967-68 Warrior basketball season. Three practice sessions for the hopefuls have already been

Each girl trying out must do her own cheer, or a gymnastic routine, and one cheer desig- baseball team.

nated by Miss Pettit. The girls will be scored on their ability, voice quality, and their ability to lead the students in cheers. To be eligible, each girl must carry at least 10 hours and be in good standing scholastically.

Miss Pettit has also announced that the tryouts are open to all students who wish to watch the proceedings in the auditorium. The six cheerleaders will be chosen by Miss Pettit, the Student Senate, and a faculty group.

Last year the Warrior cheerleaders cheered at all home games and several out of town games. They also served as "bat girls" for the Warrior
